

Internet Usage Survey

1.800.844.9708 • utma.com

What speed fits your needs? Determine the level of high-speed internet that best suits the unique needs of your home by filling out this simple Internet Usage Survey.

Step 1 – Enter the total number for all that apply

1. Total individuals in your household _____
2. Total number of online devices in your household
 - Desktops _____
 - Laptops _____
 - Tablets _____
 - Cell phones _____
 - Smart TVs _____

Step 2 – Select Yes or No for all that apply

1. Do you use a wireless router? Yes No
2. Do you or your family members use internet for the following:
 - Email Yes No
 - Social Media (Facebook, Pinterest, etc.) Yes No
 - Streaming Video Yes No
 - Online Gaming Yes No
 - Uploading Photos Yes No
 - Uploading Data Yes No
 - Online Learning Yes No
 - Monitoring Surveillance Yes No
 - Smart Home Devices (Smart TVs) Yes No

Step 3 – Calculate your total by adding the numbers from step 1 and add one for every Yes answer in step 2. Submit your completed evaluation by emailing it to customerservice@utma.com or mail in to your local office, and one of our experts will contact you to discuss what speed best suits your unique needs.

Total _____
