I ("Customer") understand that if service is disconnected and reconnected for any reason, reconnect charges will apply. I also understand that UC and TMC's equipment will be returned immediately upon termination of service. I agree to be bound by UC and TMC's Terms and Conditions ("T&C") as published on [www.utma.com](http://www.utma.com). My continued use of the service shall be considered my consent to any amendments that may be made to the T&C. I understand that surge and firewall protection are my responsibility, and I agree that I will be responsible for any and all damages or losses. It has been explained to me and I understand that the package price listed on this application and in all other UC and TMC materials does not include mandatory fees and taxes. I understand my bill will be larger than the package price due to these charges. I understand that the router provided in Managed Wireless service and the Managed Wireless Extender equipment are the property of UC and TMC, and I will be charged \$225 for the router and an additional \$105 for the Managed Wireless Extender if services are disconnected and the equipment is not returned in good working condition.
